Alvarez & Associates Awarded SEWP IV Contract by NASA

Washington, DC – May 1, 2007 – Alvarez & Associates a Washington based Service Disabled Veteran Owned Small Business today announced that is has been awarded the seven-year, maximum \$5.6 billion indefinite delivery/indefinite quantity (IDIQ), government wide acquisition contract (GWAC) by the National Aeronautics and Space Administration (NASA). The contracts were awarded under the NASA Solutions for Enterprise-Wide Procurement (SEWP) IV, a procurement program open to all Federal agencies and authorized contractors. Several large federal agencies, including the U.S. Department of Veterans Affairs have signaled their intention to begin using SEWP IV immediately for the procurement of IT hardware and software.

Providing the latest in Information Technology (IT) products and services the SEWP IV contract vehicle has an outstanding track record of leveraging innovative technology for federal agencies. Under the terms of this contract, Alvarez & Associates will provide a vast selection and wide range of cost effect IT solutions.

The SEWP IV contracts give NASA the ability to add new products and technology in one business day, enabling NASA and other federal agencies to stay ahead of the curve in purchasing, deploying and implementing technology infrastructure.
